Re: Closes Creek Flood Reductions Project

To Whom It May Concern:

The Waveland Park Neighborhood Association, chartered by the City of Des Moines, is very supportive of the Closes Creek Flood Reduction Project, because it promises to improve the overloaded storm sewer system in our area. Water drainage following heavy rain – a more frequent occurrence in recent years – has resulted in significant and costly damage to residential properties in certain parts of the Waveland Park Neighborhood. We applaud the city's effort to improve the system and thereby help resolve some of the problems that property owners are facing.

Yours Truly,

Christine Pardee, Vice President
Waveland Park Neighborhood Association
